Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner Dr. Rogers contacted Dr. Crimaldi on November 1st, 2007 to propose an examiners amendment that would place the claims in condition for allowance. Dr. Crimaldi was not available so the examiner left a message detailing the proposed amendment in which claims 1 and 6 would be amended to included all of the limitations within claims 6 and 8. A patentability conference with Mike Hartley and Sreeni Padmanabhan was already held prior to the phone call. Dr. Crimaldi called the examiner back on November 6th and informed the examiner by message that applicants did not wish to amend the claims at this point in time..
